### Plasticfreejeju

#### Established in January 2019: Small things are beautiful. Composed of seven working women

Address various social issues through daily art activities

Create campaign songs focused on environmental issues and run a campaign performance group mainly consists of the elderly

Organize street flash mobs

#### **May 2019**

Public culture planning
with Jeju City and Culturalcityjeju
Planned and managed
Plasticfreejeju's campaigns

# Plasticfreejeju

#### Current status of Plasticfreejeju

- Over 100 cafes and other establishments in Jeju are participating
- A low number of customers
- Holding a plogging campaign program between Plasticfreejeju locations to expand/promote the Plasticfreejeju campaign and support local stores/cafes (since 2020, more than once a week)

# Badamkkaebi Campaign Cigarette butt trash cans made from buoys found in the sea 2021

#### 2022 Platicfreejeju\_Kids Campaign Performance

2022. Environmental day ceremony hosted by Jeju Special Self-Governing Province

2023. Kick-off ceremony of the 2040PZI committee hosted by Jeju Special Self-Governing Province

# Collaborated with local radio stations in Jeju to produce daily practice campaign songs 2023.7~2024.5

- Pet Latte
- Gotcha Standby Power
- All-purpose Handkerchief
- Winter Fashionista
- Toothbrush Cup Song
- The Journey of Cigarette Butts
- Public Transportation Song
- Stairs Song

Broadcast campaign songs on Daejeon Traffic Radio 2024.5~

#### **Proper waste separation**

#### Flash Mobs & Busking Turn eco-friendly practices into enjoyable culture

2024.907 Flash mob in front of Jeju City Hall

#### 20240819 Busking at Gwakji Beach

#### Children's Songs for the Environment\_Children's Environmental Education 2024.3~

#### Campaign Activities Linked to Daily Art Activities \_Expand Eco-friendly Environment Culture

Enhance the satisfaction of activists (participants) through artistic activities

Expand the scope of activities through content development

- Creation activities such as composition and songwriting
- Healthy activities such as dancing and singing
- Unique activities such as flash mobs and busking
- Enjoyable activities + realization of social values

- Possible to diversify group activities and enable collaboration with various organizations through in-house content development
- Expand the scope of activity through the self-development of activists

#### Public-Private Collaboration, What We Expect from the Local Government

Implement consistent policies for sustainable development

Strengthen public-private networks: provide reasonable and effective guidelines

Expand support for the private sector and streamline administration processes

Thank you
